Re: Notice of Ex Parte Presentation

Preserving the Open Internet, GN Docket No. 09-191;
Framework for Broadband Internet Service; GN Docket No. 10-127

December 10, 2010

Dear Ms. Dortch:

On Thursday, December 9, 2010, Floyd Mori called the Commission to speak to Commissioner Clyburn regarding issues related to the proceedings referenced above. Commissioner Clyburn was unable to take the call so Mr. Mori left a message with Sharon (CTR 252) on behalf of the Japanese American Citizens League.

The purpose of the message for Commissioner Clyburn was to express support for Chairman Genachowski's draft Open Internet order, to urge Commissioner Clyburn to reject calls for additional regulation, and to request that Commissioner Clyburn to support the compromise proposal.

Sincerely,

S. Floyd Mori
JACL National Executive Director
